## FARM DROP OFF: \$5.00/DROP

Drop off up to 10 gallons of food waste at your convenience at our farm in Thayne. Save the drop fee by making a purchase of \$5 or more in our on-farm store.

## BUSINESS PICK UP: QUOTE

We provide your business with as many 32-gallon wheeled carts as needed. Schedule pickups at your place of business once or twice weekly.

# FEEL GOOD. COMPOST.

WyoFarm Compost is redefining waste. In fact, food scraps that would do no good in the landfill can become a valuable compost product.

Properly prepared compost is high in organic matter and is the main food for soil life.

Well-fed soil life creates nutrient-dense food for humans and animals. Together, we can do better than the landfill!
